Subject: Update the progress of the Claim Compensation Regarding the Fire at CentralWorld

To: The President,
The Stock Exchange of Thailand

As Central Pattana Public Company Limited and its subsidiaries ("CPN") have claimed for the compensation regarding the fire at CentralWorld pursuant to the Industrial All-Risk policy, and the Supreme Court rejected CPN's petition for Dika appeal. The case is hereby terminated by the verdict of the Appeal Court. Consequently, the insurer did not have obligation to compensate to CPN pursuant to the Industrial All-Risk policy. However, CPN bought the terrorism insurance with the sum insured of Baht 3,500 million. Details are shown in the disclosure to the Stock Exchange of Thailand on 24 August 2017.

CPN would like to inform that the Thai Business Fund 4, CPN's subsidiary and the right holder of lease agreement of CentralWorld, has received the compensation pursuant to the terrorism insurance of Baht 3,500 million.

Your acknowledgment of this matter would be appreciated.

Sincerely,

-Ampawee Chompoopongkasem-
(Ms. Ampawee Chompoopongkasem)
